Contact Name _____ Phone # _____

Emergency Contact Name & Number _____ (if different than above)

Blanket Use Permit Requirements During Stage II Fire Restrictions:

1. Equipment shall be properly maintained and in good working order
2. There must be a method of extinguishment, fire extinguisher or water source under pressure capable of extinguishing the fire if the need arises as well as tools or other equipment approved by the Fire Chief or his/her designee.
3. The cooking apparatus must be located in an area cleared of combustibles for a minimum of 10 feet in all directions.
4. Person(s) conducting this special event, authorized by this permit shall have a copy of this permit on site during the permitted special event and shall produce a copy of this permit when requested to do so by Fire and/or other authorized personnel.
5. 24 hours in advance of any event the Fire Chief or his/her designee will be contacted for any changes or information that would prevent the event from continuing in a safe manner.
6. Commercial applications such as welding, or the use of equipment designed for the purpose of thinning and/or maintaining property or equipment that is used on a daily basis for employment that has a potential to be an ignition source ("hot" work) requires review and compliance with the **HOFD Hot Work Operational Plan**.
7. Designated smoking areas for businesses may be requested to be inspected and approved for use by fire and/or police officials. (Area must have minimum of 25' in all directions cleared of combustibles, or an enclosed or semi-enclosed area that is non-combustible. An approved container designed specifically for cigarette butts that keeps them contained even if knocked over, must be kept and maintained on site* Business owner is responsible for being aware of "Red Flag" days and not allow the use of the designated smoking areas during times alerted as "Red Flag".)

*Some items listed above might not apply to all special event/use requests.

**Persons conducting this special event are still liable in the event of a fire, approved or not approved with or without this permit.

**** PERMIT CAN BE REVOKED AT ANY TIME****
